(Effective March 2017)

Service.

The Mobile Deposit service ("Service") is designed to allow customers ("You") to deposit checks to their designated checking ("Account") with Bank of Wolcott ("Bank") using approved mobile devices. Checks are scanned using the camera on the mobile device and securely transmitted to the Bank for review and deposit. By using the Service, you authorize the Bank to convert checks to images or create substitute checks for the purpose of clearing the check.

Acceptance of these Terms.

By electronically accepting this Agreement, you are agreeing to all the terms and conditions outlined within it. Your use of the Service constitutes your acceptance of this Agreement. This Agreement is subject to change, without notice. We will provide you with advance notice if any changes to this Agreement are required by applicable law.

You agree to the deposit limits by using this service.

We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using the Service and to modify such limits from time to time. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a deposit at other times. We are not responsible for any losses incurred as a result of rejecting deposits that you have made through the Service which exceed your deposit limits.

New Users.

You are considered a new user to the Service for the first seven (7) business days after you agree to these Terms and Conditions.

Endorsements.

You agree to restrictively endorse any check transmitted through the Service as follows or otherwise instructed by the Bank. Your endorsement must include your signature and a restriction such as '**Mobile Deposit Only**'. A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check. Any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you will be your responsibility.

Confirmation of Deposits.

It is your responsibility to verify that your deposit has been completed successfully by signing into the mobile application, viewing the status of your mobile deposit history and verifying the funds are available in your account.

Availability of Funds.

You agree that checks transmitted using the Service are subject to the funds availability requirements of Federal Reserve Board Regulation CC. For purposes of determining the availability of funds deposited via the Service, you agree that checks transmitted through the Service are classified as “not in-person deposits” as defined in Regulation CC. In general, if an image of a check you transmit through the Service is received and accepted before 3:30 p.m. Eastern Standard Time (‘EST’) on a business day that we are open, we consider that day to be the day of your deposit. Otherwise, we may consider that the deposit was made on the next business day we are open. Funds deposited using the Service will generally be made available in three (3) business days from the day of deposit. Bank may make funds available sooner based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as the Bank, in its sole discretion, deems relevant.

Deposits confirmed by us before 3:30 p.m. EST	Credited to your account within three business days.
Deposits received by us after 3:30 p.m. EST	Credited to your account within three business days after the following business day.

Returned Checks.

Any credit which we deposit into your account immediately following a transaction initiated by you will be a provisional credit. If a check that you deposit using the Service is returned or charged back on your account, it will be deducted in full from your account along with any fees that are incurred due to the check’s rejection as described in our Limits and Fees Schedule and Account Agreements. We are not responsible for any losses incurred as a result of deposits returned on your account.
